

## Map and Directions

Map of Playa Rocio

From Malaga Airport follow the signs for **Algeciras** on the main **Autopista AP7/E 15**, this involves paying a toll of €3.20\* in the off peak months of October-June and a toll of €5.15\* during the peak summer months and Easter. The road divides after Marbella (keep right) and follow the A7, take the **1<sup>st</sup> exit for Puerto Banus** and follow the map! The alternative is via the N340 Coast road. This is a more scenic route but not a drive for the faint hearted!! During peak times the road can become congested and is quite dangerous. Our advice is to take the toll road. \*Prices not guaranteed
